Backyard Compost Bins Available

Get ready for spring

Did you miss Dirt Day last spring? Or do you need to add another bin or two to your organics management system? Anchorage Soil & Water Conservation District still has almost 100 Earth Machine backyard composting bins available for sale. These can be purchased through TOTAL RECLAIM, INC., in the Huffman Business Park during regular business hours.

\$50 each, no limit, get one while they last!

Total Reclaim, Inc.
12101 Industry Way, Unit C4
Anchorage, AK
M-F 8am-5pm
561-0544

And bring your scrap electronics, fluorescent lamps and batteries for recycling while you're there.
